FREIGHT RUNNER®

TRAILER CONVEYOR

KEITH

REPLACES MANUAL PROCESS OF CARGO HANDLING WITH AUTOMATED SYSTEM

SPEED

- Fast and easy trailer installation.
- Speeds up product distribution.
- Loads or unloads in as little as 2 minutes.

MAXIMIZE LOADS

- Moves up to 30 ton.
- Automate cargo handling.
- No dock required for full or partial loads.

REDUCE COSTS

- Reduce labor costs up to 75%
- Minimize cargo damage.
- Optimize available warehouse resources.

SPEEDS PRODUCT DISTRIBUTION

Significantly reduces loading & unloading times compared with using a forklift alone.
